NEWPOINT TECHNOLOGIES ESTABLISHES LOCAL PRESENCE IN CENTRAL AND SOUTH AMERICA

Luiz Barbosa to Manage and Expand Business

COLUMBIA, MD, November 12, 2009 – [Integral Systems, Inc.](http://www.integral.com) (NASDAQ: ISYS) today announced that its wholly-owned subsidiary, Newpoint Technologies (www.newpointtech.com) is expanding its operations in Latin America and has hired Mr. Luiz Barbosa. Barbosa will assume local sales and marketing responsibilities in Central and South America, and will be responsible for expanding Newpoint Technologies' customer base in IT and network management systems. He will also manage the company's portfolio of clients in the region, including Enlaces Integra, TV Globo, and Anditel.

A native of Brazil, Barbosa holds degrees in naval and offshore engineering, oceanic engineering, and information technology. He joins Newpoint Technologies from Sys Technologies, Inc., where he was a territory manager for South America, responsible for shaping the company's globalization plan in the region. Barbosa brings more than 10 years of regional business development experience in the technology industry.

"We are happy to have such a well-rounded and highly recommended professional like Luiz join the Newpoint team. His wide experience in IT, network management systems, turnkey implementations, and SATCOM will provide our customers in Central and South America with a valuable local resource to address their growing business needs," said Wally Martland, President of Newpoint Technologies.
